U.S. DIST. COURT, WESTERN DIST. OKLA.  
BY RB DEPUTY

Your Honor

SIR I AM writing you because I just found out yesterday where some of my evidence was that I could not get ahold of FOR my TRIAL, THAT would HAVE shed light on my story AND Allowed me to go Home,

It has been discovered that my own Husband met Rebecca CHAIKLIN OF Goode Productions in Tampa Florida OF all places AND Sold my Computer and 3 External Hard drives to Goode Productions in Feb, 2019 one month before my trial, AND EVERY time I ASKED About the whereabouts OF my Evidence I WAS Lied to OF its location, AND could not get access to it to properly Defend my case,

I HAVE NEVER been in trouble before so I'm not sure how this works But Between Evidence Tampering AND the Lying under Oath that went on that I CAN PROVE Can the verdict Not be sit aside AND be

Given A New Trial, IN Hopes OF  
getting A Fair And Honest Trial,  
IN All OF my time Running For Public OFFICE  
I would HAVE NEVER dreamed our System  
IS this broken and Government Attorneys CAN  
stand in A Federal Court and Allow their  
Witnesses to Lie under Oath just to win A  
case, the U.S. Attorneys Office should  
be About getting to the truth and convicting  
the right Person, there is so much wrong  
About this case,

ASK yourself How was I convicted of  
Something my Vet and her office filled out  
Wrong on A CVI when I was over 1000  
miles Away, when that can be answered  
we will all get to the truth,

Respectfully
